Gratitude!

The past few months have been absolutely wonderful in the amount of support those of Unity in Edinboro have given each other and the community.

Sara and Heather continue to work on the library and will soon have it open again for sign outs. If you would like to donate a book or funds for us to continue to stock the library there is a table in front of the library with a donation basket and a chair to leave books.

Willow Romeo has a talent for cleaning and has blessed us all with a clean building.

Don has lent his voice to our Sunday Celebration during Gratitude Time. Beautiful!

We have taken two full bins of donated school and personal care supplies to the new Americans at USCRI. At the beginning of November we will start to collect monies and donations of food to supply First Thanksgiving Meals to those who have arrived in the last year. There were over 150 new families last Thanksgiving we helped. There are at least that again this year.

Unity in Edinboro sponsored the annual Harvest Festival at Goodell Gardens. Thank you to all who spent some time there and enjoyed the day.

Shelly Ropp and Bev Andrews have brought wonderful food for us to share during Fellowship on Sunday.

PAY WHAT YOU CAN FOOD STAND

Stephanie Thauer at Raintree farms has been networking with farms and individuals in the area to supply the Farm Stand. We are excited to be able to keep it open through the winter months. Stephanie and Jenn have been drying and preserving some of the extra produce and have started to obtain dried foods. ALL of the monies brought in from the stand have gone into more food. Through the winter we would like to expand hours to allow people a place to get warm, grow their own greens, have a cup of soup and share with each other. To become involved please talk to Rev. Jenn.

Debbie Drags a Brush

Fundraiser Event:

Oct. 16 @ 6:30PM

FAMILY FRIENDLY/NO ALCOHOL

Debbie (Michael Hipwell) is the current reigning Miss Ohio All Star Newcomer 2023, and former Miss Erie 2022. She can be seen performing and advocating all over the tri-state area bringing the message that laughter is truly the best medicine.

Debbie holds a BA from Edinboro University in Music Education, and an MA in Education from Gannon University and has been a school teacher for 9 years. While she originally was going to be an art teacher, she found her calling in music and elementary education instead. Come out for a fun night of chitchat, snacks, laughter, and hopefully you'll take home a cute picture to hang up and a family memory you'll never forget!

Individual Value

Each person is a beautiful individualized actualization of the Oneness of the Universe. Understanding oneself as a piece of Divinity, allows us to understand that ALL have a part to play in the healing and the pushing forward of consciousness. In the next few weeks we will be exploring what it means to be radical in our generosity and how we are able to share expanding the prosperity of Unity in Edinboro knowing that the unlimited prosperity flowing within the Universe shines through each of our individual strengths and willingness to share. Although we often think of prosperity in financial terms, we will explore how that is a tiny piece of the puzzle and how sharing from the perspective of Source will lead the way to the talents we are able to share.

In the sharing of our prosperity each Sunday each person will be encouraged to share gratitude through the written word and/or financial support for Unity in Edinboro and its programming. Each person will also be encouraged to pick up an affirmation and/or a need to fulfill through meditation and action in the next week as we keep the prosperity flowing for all.
